

## **15 JABIRU AIRCRAFT PTY LTD – NEW ENGINE WARRANTY**

Jabiru Aircraft Pty Ltd, hereinafter JABIRU warrants that it will make good without charge, any defect which appears in this engine.

Provided:

- 5 The defect has been notified in writing to JABIRU:
- i) before the engine has operated a total of 200 hours or,
  - ii) within twelve (12) months of the date of delivery of the engine to the first retail purchaser or from the date of independent Authority authenticated first flight.

Whichever comes first, and

- 6 The engine has been delivered to a JABIRU Approved Service Centre or such other service facility as advised by JABIRU, and
- 7 the engine has been installed in an aircraft type in accordance with a JABIRU approved installation system, and
- 8 JABIRU has determined that the defect complained of is one of workmanship and is not caused by:
- iii) Misuse or abuse of the engine such as by operation outside the approved Flight Manual, or Maintenance and Operation Manual, etc, or by neglect
  - iv) Improper installation, including overheating.
  - v) Operation of the engine after it is known to be defective
  - vi) Accident or deliberate act
  - vii) Atmospheric fallout or flood, hail, salt, wind, etc.
  - viii) Failure to carry out proper maintenance service
  - ix) Use of incorrect types and/or grades of fuel, oil or lubricants
  - x) Alteration or modification of the engine by any party not authorised in writing by JABIRU
  - xi) The fitting of parts or accessories not marketed by JABIRU
  - xii) Any work carried out on the engine by someone other than an Authorised JABIRU Service Centre or someone else authorised by JABIRU in writing,
  - xiii) The use of any engine oil or fuel additives or oil stabilisers

**BY JABIRU (or as otherwise decided by JABIRU) MAKING GOOD THE DEFECT BY REPAIR OR, AT THE OPTION OF JABIRU, BY REPLACEMENT.**

Excluded from this Warranty are service items such as engine tuning, adjustments, replacement of air and oil filters, spark plugs, etc which are required as part of normal engine maintenance.

This Warranty is given to the person who is entitled to possession of the engine whether as owner, lessee or otherwise and is given in addition to all right conferred by law on that person.

Warranty repairs do not extend the original warranty.

Due to the substantial number of problems that can arise due to installation errors, JABIRU shall not be liable for any labour and/or service charges for removal, reinstallation and adjustment which are the responsibility of the buyer and are not covered by this Warranty. Consequential damages and freight costs are also not covered by this Warranty.

JABIRU makes no representation that this engine is suitable for installation in any particular aircraft and the responsibility for determining such suitability rests with the Buyer.

Under no condition shall JABIRU or a JABIRU Authorised Service Centre be liable for any contingent costs through the engine or aircraft being out of service for whatever reason.

### **SPECIAL NOTICE TO OWNERS**

#### **AVAILABILITY OF SERVICE AND PARTS AFTER WARRANTY**

JABIRU Aircraft Pty Ltd maintains a substantial stock of spare parts and operates a Service Exchange Programme in respect to some components. Every endeavour is made to ensure that JABIRU carries adequate stocks of service parts and that Authorised Service Agents are equipped to provide satisfactory service, but JABIRU does not make any promise that after the expiration of the warranty such parts or service will be available, or available at any specific location or at any particular time.

#### **UNAUTHORISED STATEMENTS IN RELATION TO JABIRU PRODUCTS**

No JABIRU Authorised Service Centre or other person is authorised or permitted to give or make any statement assertion or undertaking in relation to the quality, performance, characteristics, descriptions or fitness for any purpose of any JABIRU product or in connection with the supply of any JABIRU product, which is at variance with any written statement assertion or undertaking on any of these subjects given or made by JABIRU in its published sales literature, and the company does not accept any such unauthorised action.

#### **WARRANTY ON JABIRU REPLACEMENT PARTS**

JABIRU warrants in respect of JABIRU parts and accessories required as replacement parts, that it will make good by repair or at its option by replacement any defect occurring in any such JABIRU parts and accessories within twelve (12) months from the date of acquisition. Normal wear and tear is excluded. This warranty does not cover those parts listed as exclusions in the New Engine Warranty and is subject to the same general exclusions.
