

Leather Seats and colours

Above interior medium to light grey - straight stitching

Above pictures Anthracite - Dark Grey (most popular colour) Fancy stitching

Above picture light grey - straight stitching - harder to keep clean.

Black ostrich leather seats - customer supplied own leather - very expensive this interior is extremely dark - customer painted interior Black - fitted black carpets. (dark interior makes interior look smaller and feel like you are in a cave)

All fabrics are done in medium to light grey in all Jabiru Aircraft and have been fire retardant treated - carpets on floor are also a charcoal grey.
